

CITY CASUAL

CITY SOFT

EXPLICACION DEL MODELO

Un proyecto dinámico, Soft y Casual

City es una estructura que aglutina diversas variantes: 3 opciones para las almohadas de respaldo y 2 propuestas para las patas. Estas variantes dan lugar a 2 modelos:

City Soft: Sofás y módulos con la almohada de respaldo incluida, de la colección **Soft**.

City Casual: Sofás y módulos sin almohadas de respaldo predeterminadas. El respaldo es totalmente customizable, es decir, se pueden elegir cuántas almohadas se deseen de la lista ofrecida. Los diseños propuestos para las almohadas de respaldo son tres: almohadas Casual, almohadas Soft y almohadas Soft + 7cm, dependiendo de la opción u opciones de respaldo escogidas y de la cantidad de almohadas y cojines que incorpore su **City Casual** tendrá un aspecto u otro.

Cualquiera de estos 2 modelos puede llevar las patas en acero inoxidable o en madera. Las patas en acero inoxidable tienen 9.5 cm de altura y elevan la sentada 43 cm del suelo. Las patas en madera tienen 3.5 cm de altura y bajan la sentada a 37 cm del suelo.

Las almohadas de respaldo incorporan una varilla metálica que, colocada entre asiento y respaldo, ofrece un apoyo tan cómodo como estable.

La familia **City** es totalmente modular: sofás y sillones, módulos, chaise, módulo terminal, ángulo y pufs.

La unión de los módulos se realiza mediante carracas.

Todas las versiones se pueden tapizar tanto en tela como piel o piel sintética. Las composiciones en tela son totalmente desenfundables, mientras que en piel o piel sintética sólo las almohadas.

DESCRIPTION

A dynamic project, Soft & Casual

City is an ambitious programme with two feet types and three options for the back cushions in two different models:

City Soft: Sofas and modules with the back cushions included, from the Soft collection.

City Casual: Sofas and modules without standard back cushions: simply choose as many back cushions as desired from the price list. The suggested designs for the back cushions are: Casual cushions, Soft cushions and Soft +7 cushions. The different types, quantities and heights of the cushions, along with an extensive selection of modules make each sofa unique.

Either of these two variants can have stainless steel or wooden feet. The stainless steel feet are 9.5 cm high and make the seat 43 cm from the floor. The wooden feet are 3.5 cm high and bring the seating down to 37 cm from the floor.

The back cushions incorporate a metallic rod which is placed between the seat and back to support the cushion.

The **City** family is fully modular: sofas and armchairs, modules, a chaise, terminal module, corner unit and poufs.

The modules are joined by a ratchet system.

All versions can be upholstered in fabric, leather or synthetic leather. Fabric combinations have fully removable covers, whereas only the cushion covers can be removed from the leather or synthetic leather sofas.

CARACTERISTIQUES

Un projet dynamique, Soft et Casual.

City est un programme qui regroupe plusieurs versions: 3 possibilités de coussins de dossier et 2 types de pieds. Ces différentes variantes donnent lieu à 2 modèles:

City Soft: Canapés et modules avec coussin de dossier inclus, de la collection Soft

City Casual: Canapés et modules sans coussin de dossier pré-déterminé. Le dossier est entièrement personnalisable: possibilité de choisir le nombre de coussins de dossier voulus dans la liste proposée pour cette option. Le dossier est entièrement personnalisable car il est possible de choisir le nombre de coussins désirés dans la liste proposée. 3 types de coussins au choix: coussins Casual, coussins Soft et coussins Soft +7. Selon l'option désirée, le type et le nombre de coussins choisis, vous pourrez personnaliser votre **City Casual**.

Ces 2 modèles peuvent recevoir des pieds en acier inoxydable ou en bois. Les pieds en acier inoxydable ont une hauteur de 9.5 cm et positionnent l'assise à 43 cm du sol. Les pieds en bois ont une hauteur de 3.5 cm et positionnent l'assise à 37 cm du sol.

Les coussins de dossier incorporent une barre métallique, qui, placée entre l'assise et le dossier, offre un appui aussi confortable que stable.

La gamme **City** est entièrement modulable: canapés, fauteuils, modules, chaise longue, module terminal, angle et poufs.

L'union des modules se fait par visserie.

La collection City est entièrement déhoussable pour les produits tissus, et livrée avec les coussins déhoussables lorsqu'il s'agit d'un revêtement cuir ou cuir synthétique.

IMPORTANTE

En tela, el sofá de 280 y el módulo de 240 siempre son desmontables. Previa solicitud, el sofá de 220 y el módulo 180 se pueden fabricar para que sean desmontables en destino (especificar en el pedido). Estas referencias incorporan instrucciones de montaje y desmontaje.

En piel o piel sintética todas las medidas se sirven siempre en una pieza.

En el modelo City Casual las almohadas de respaldo y los cojines de decoración están tarifados por separado. El City Soft incluye sus correspondientes almohadas de respaldo.

Las solicitudes de composiciones modulares deben adjuntar un plano en planta al realizar el pedido. La mano (derecha/izquierda) se interpreta siempre viendo el dibujo de frente.

IMPORTANT

When upholstered in fabric, the 280 sofas and 240 modules can always be disassembled at the destination. This option is also available for the 220 sofas and 180 modules, but this requirement must be clearly stated on the order. The products that can be disassembled are supplied with instructions.

All products upholstered in leather or synthetic leather cannot be disassembled - whatever the size.

The City Soft includes back cushions.

The City Casual's back cushions and decorative cushions are priced separately.

Please attach a plan when ordering modular compositions. The left and right hand sides are interpreted as if facing the product.

IMPORTANT

Les canapés de 280 et les modules de 240 sont toujours démontables. Sur demande, les canapés de 220 et les modules de 180 peuvent être fabriqués pour être démontables lors de la livraison finale (à spécifier sur la commande). Ces références sont livrées avec une notice de montage et démontage.

En cuir ou en cuir synthétique les modules sont toujours livrés en une seule pièce et ne sont pas démontables.

City Soft a leurs coussins de dos d'origine, tandis que pour City Casual les coussins de dossier et de décoration sont tarifés à part.

Les commandes de compositions modulaires doivent être obligatoirement accompagnées d'un plan. Le placement des bras gauches ou droits s'entend toujours vu de face par rapport au dessin.

CARACTERISTICAS TECNICAS**TELAS**

- Estructura y almohadas totalmente desenfundables.
- Estructura de madera forrada en espuma CMHR 30kg y fibra de 100gr con velour.
- Bastidor de asiento preparado con cinchas NEA de 80mm.
- Bastidor de respaldo con cincha NEA de 60mm.
- Brazo: estructura de madera. Confeccionado en espuma de densidad diferenciada (CMHR 30kg/35kg/60kg).
- Almohada de asiento Soft y Casual: espuma CMHR 30kg y CMHR 60 kg (composición de 2 densidades de espuma para la confección de los laterales y el frente) recubierta de fibra poliéster H150 termofusionada y funda interior de tela.
- Almohada de respaldo Soft y Casual: funda de algodón rellena de microfibra poliéster siliconada en compartimentos.
- Patas madera en madera de haya tintada en wengé plus.
- Patas metal en tubo de acero 304 inoxidable satinado y taco de polietileno de alta densidad.

PIEL

- Estructura fija y almohadas desenfundables.
- El resto de características son iguales que las de los modelos en tela.

TECHNICAL CHARACTERISTICS**FABRIC**

- Totally removable base and cushion covers.
- Wooden structure with CMHR 30kg foam shell and 100g fibre with felt.
- Seat structure fitted with 80mm NEA webbing.
- Back structure of 60mm NEA webbing.
- Arm: wooden structure covered with multilayered foam (CMHR 30kg/35kg/60kg).
- Soft and casual seat cushion: CMHR 30kg and CMHR 60kg. foam (composed of 2 different densities of foam for front and sides) covered with H150 thermofused polyester fibre and fabric inner cushion cover.
- Soft and casual back cushion: cotton cover filled with silicon microfibre in compartments.
- Solid beech feet stained in wenge plus.
- 304 Stainless steel feet, high density polyethylene glide.

LEATHER

- Removable cushion covers, fixed base.
- The remaining technical specifications are the same as those for the fabric version of the product.

CARACTERISTIQUES TECHNIQUES**TISSUS**

- Modèle 100% déhoussable.
- Structure en bois recouverte de mousse CMHR 30kg et fibre de 100gr.
- Châssis d'assise préparé avec des sangles NEA de 80mm.
- Châssis de dos préparé avec des sangles NEA de 60mm.
- Bras: structure en bois et mousse de différentes densités (CMHR 30kg/35kg/60kg).
- Coussins d'assise SOFT et CASUAL: mousse CMHR 30kg et CMHR 60kg. (association de 2 densités différentes pour les côtés et la partie frontale), recouverte de fibre polyester H150 thermofusionnée, le tout recouvert d'une housse non tissée.
- Coussins de dos SOFT et CASUAL: housse coton garnie de microfibre polyester siliconée et compartimentée.
- Pieds bois en hêtre teinté wenge plus.
- Pieds en tube acier 304 inoxydable et embout polyéthylène haute densité.

CUIR

- Structure fixe et coussins déhoussables.
- Le reste des caractéristiques sont identiques à celles des modèles en tissu.

PATA MADERA / WOODEN FEET / PIED EN BOIS**PATA METAL / METAL FEET / PIED METAL**

Los esquemas mostrados en tarifa corresponden al modelo con pata de madera. Con pata de metal aumenta 6 cms. las alturas del asiento y el respaldo.

The measurements shown in the pricelist correspond to the version with wooden feet. Metal feet will elevate the entire sofa 6cm.

Les schémas du tarif correspondent au modèle avec pied bois. En version pied métal les hauteurs d'assise et de dossier sont 6 cms plus élevées.
