Sling is a distinctive armchair, with contrasts of hard and soft from every angle. Its metal frame gives an impression of strength, against upholstery in soft tones and tactile textile. A classic study of modern Scandinavian design for home or public space.

Sling will be launched at Stockholm Furniture Fair 2015 at the Fogia stand B02:13 and at Fogia Concept Store in Stockholm.

About Fogia

Fogia is one of the leading furniture brands in Sweden. From our conception in 1981, we have collaborated with some of the most recognised designers in Scandinavia. Our pieces are crafted in classic materials, fusing fine craftsmanship & contemporary technology in our own factory in Northern Europe. We make our furniture from the ground up for those who appreciate impeccable design, craftsmanship and quality.
