

# Tondo

DESIGN STEFAN BORSELIUS

Tondo är en uppvisning av kreativitet och noggrant hantverk. En minimalistisk men mjuk soffa som passar i alla miljöer, privata såväl som offentliga. Den ska vara klassisk men ändå lekfull. Tondo är enkel i sitt formspråk, men besitter ändå många möjligheter. Tondo finns med låg och hög rygg i otaliga kombinationer, som fätölj samt med ett antal sidobord.

*Tondo Sofa is a demonstration of creativity meeting precise craftsmanship. A minimalistic yet soft sofa, in intelligent colourways, it's a piece that sits in all contexts — domestic or public. Its precise form stands on delicate legs in ash, yet it's forgiving and welcoming. Tondo Sofa comes in lowback, armchair, high-backed club variations and with a number of sidetables. The basic idea behind Tondo is about the tension that arises in the game of opposites.*
