About

The Achille dining table has a solid oak table top with a brushed rustic look and straight edges. The white or black A base is made of powder coated steel.

Materials & care

- Solid oak table top with a brushed rustic look (containing nuts and cracks) and a straight edge. Black or white powder coated steel base.
- Finished with a high performance, water-based, polyurethane lacquer (
- Felt glides
- Clean regularly with a mild solution of water and natural soap or protect cleaner for varnished furniture. Do not sand varnished furniture; this will damage the protective layer and will affect the water and dirt resistance of your furniture.
