About

Playful lines and a retro vibe: the Cruz collection brings back vintage rattan chairs in a modern way. Inspired by shapes that you can find in nature, these models are guaranteed to steal the show. Do you recognize the peacock tail in the elegant seat of the Kiki chair? With their striking design, these models are the perfect statement pieces for your home, hotel lobby or restaurant. The graphic weave creates an interesting shadow play, while the natural material adds a soft touch to your space.

The Cruz collection consists of the Cruz Cocoon, Cruz lazy chair, Curly dining chair and Kiki dining chair. All pieces are available in natural rattan or black rattan.

Materials & care

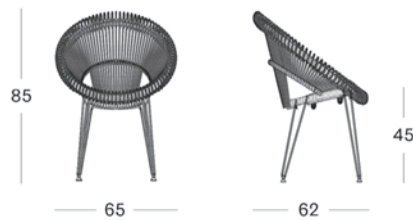

- Rattan seat on a black powder coated steel base with adjustable and tilting nylon glides.
- Clean with a moist towel and some natural soap.
