PRESS RELEASE

NORR11 LAUNCHES HIPPO SOFA

Completing the Hippo series we are adding the Hippo Sofa, a sofa that can star as the centre piece of a room and add a stylish yet simple touch to any interior space. Interesting from every angle the sofa shares the same characteristic leg profile of the Hippo Lounge fully upholstered with an oversized back providing great comfort. The sofa is generously proportioned and can comfortably sit four persons.

The upholstery options include OEKO-TEX and EU Eco Label fabrics and leathers.

“With the Hippo Sofa we wanted to create the feeling of a free floating sofa, almost like a soft island floating in the middle of a landscape. The result is a soft and playful design, with a very open expression and many ways to sit on.” - Kristian Sofus Hansen, designer.
